Success Crowns Efforts of Pharmaceutical Chemists to Rid Popular Medicine of Its Nauseating and Dangerous Qualities-Calotabs the New Name

A triumph of modern pharmacy that is destined to bless the whole world, from the King on his throne to the humblest laboring man—that is the opinion of druggists who have been watching the sale of the new calomel tablet that is wholly free from the objectionable effects of the old-style calomel.

calomel.

An occasional purifying of the system and thorough cleansing of the liver are absolutely essential to the maintenance of health, and calomel is the only drug that gives permanent results. Now that the unpleasant effects are entirely removed, the popularity of the new calomel, Calotabs, will be vastly increased. One tablet on the tongue at bedtime, a swallow of water—no taste or unpleasantness of any kind. A good night's sleep, and you wake next morning feeling fine, with a clean liver and a hearty appetite. Eat what you please—no danger.

Calotabs are sold only in original,
